# Slide with Text and Images

Collabora  
Productivity  
Free your business

## **Your office experience in the Cloud**

Fast, smooth, beautiful documents processed remotely and delivered locally. Create, view, and edit over one hundred document formats in the browser. Open them directly in desktop and mobile for full-featured offline editing.

This is the flexibility of Open Source, the availability of the cloud, and the reach of HTML5. This is Collabora CloudSuite

# Test text

Normal

**Bold**

Underlined

*Italic*

1)First level

1)Second level

1)Third level

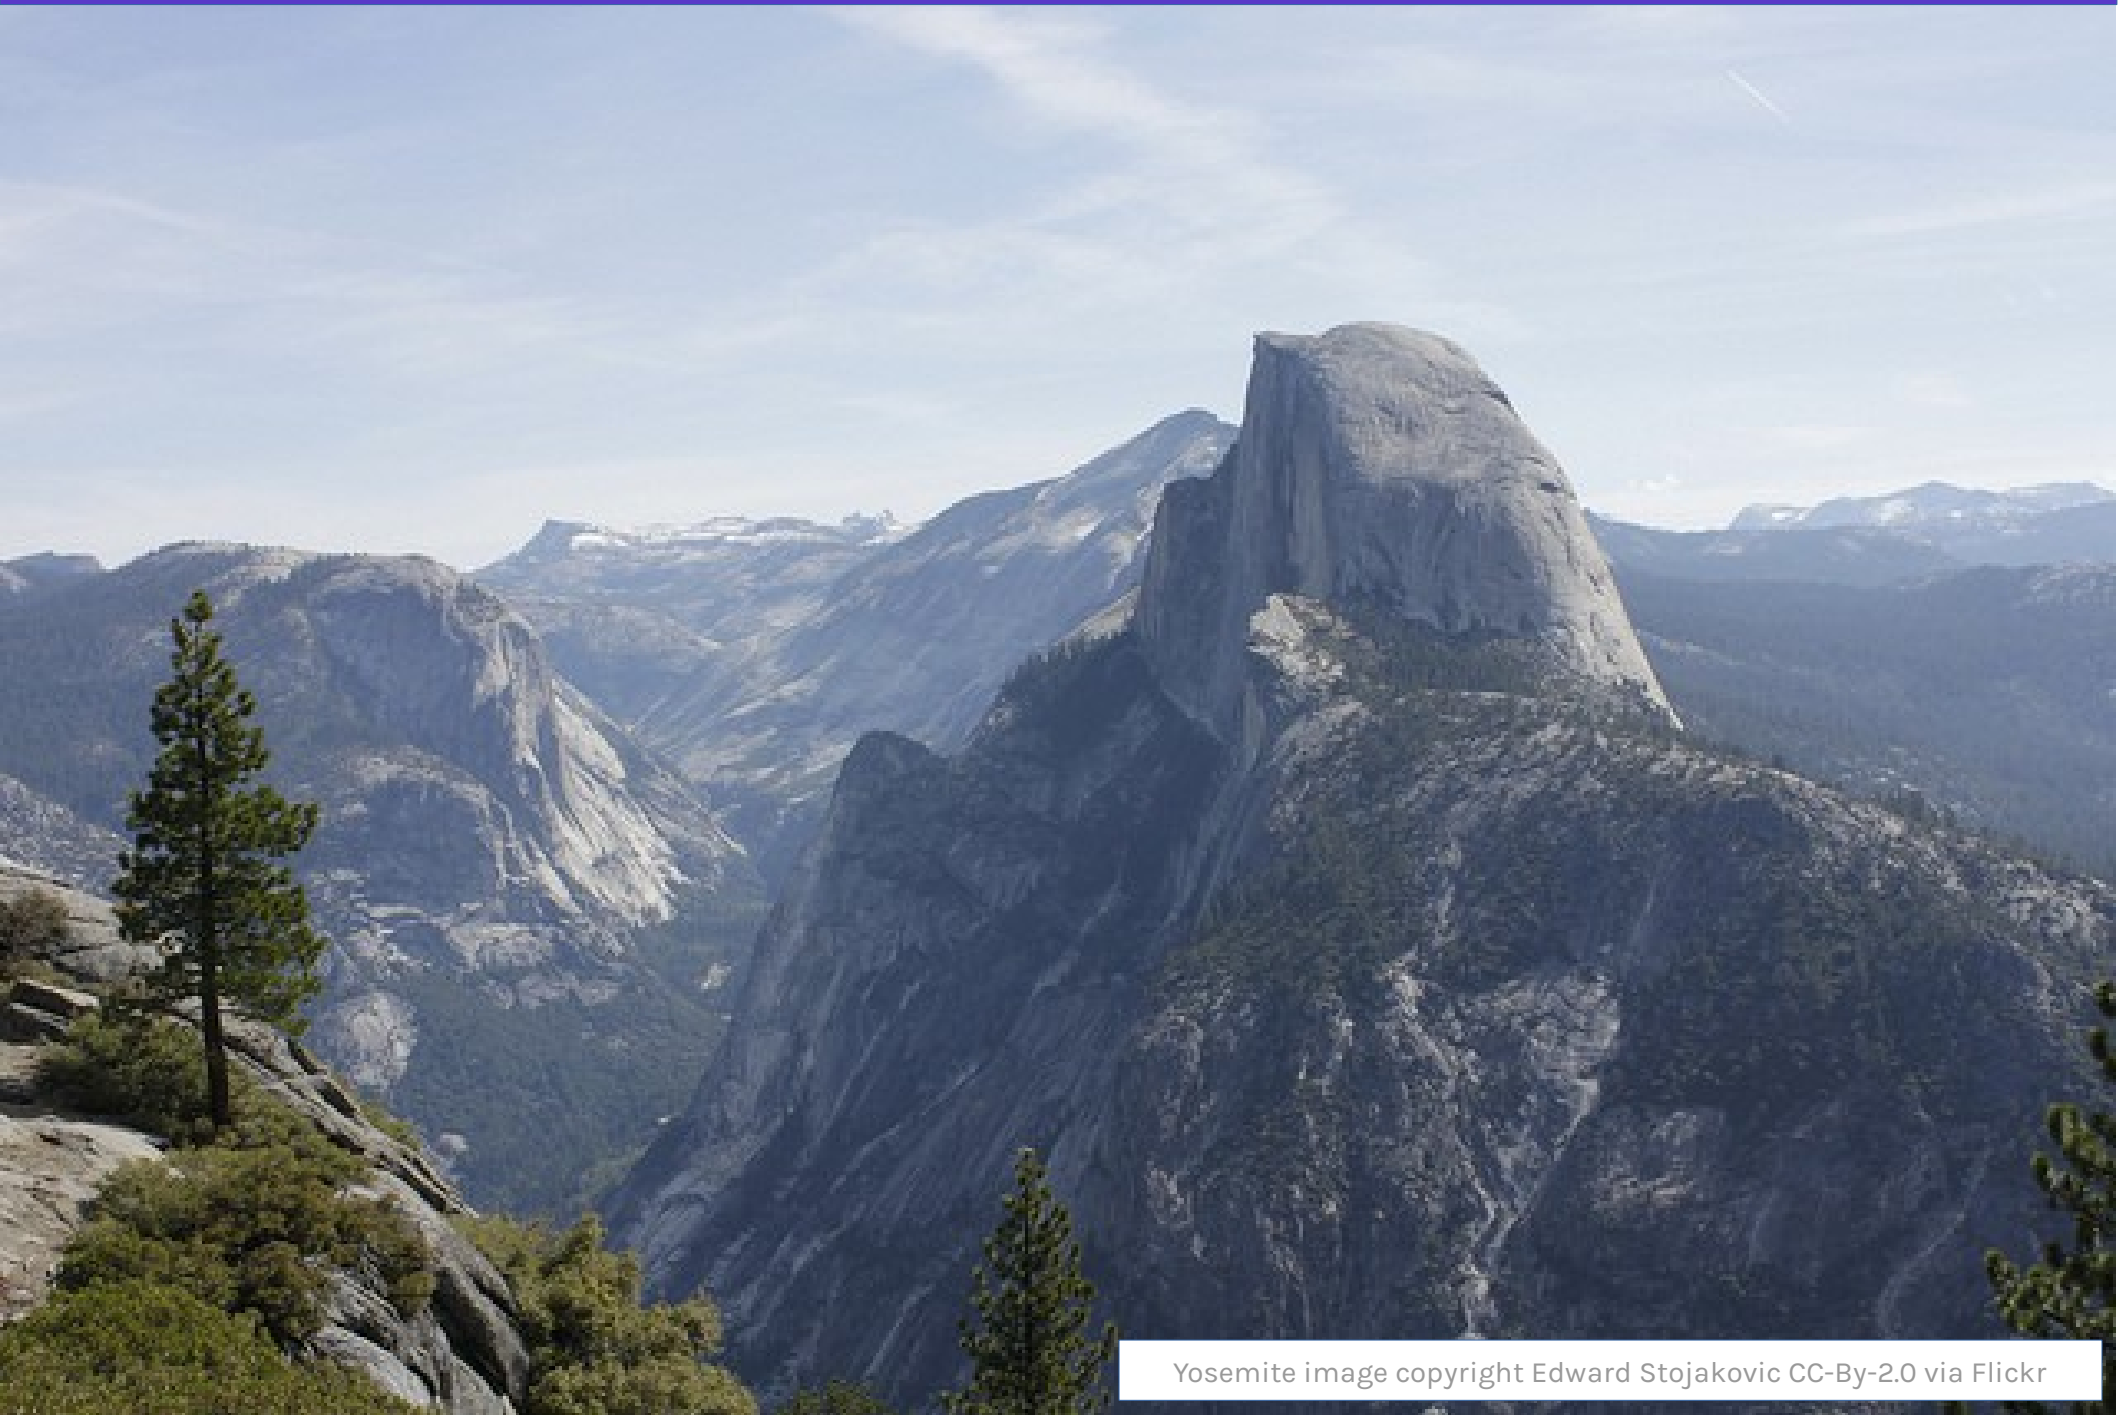

2)Back to first level

3)Long text: Lorem ipsum dolor sit amet, consectetur adipiscing elit. Nunc eget cursus erat, quis vestibulum erat. Morbi commodo vestibulum est eu elementum. Nulla vestibulum, ante et ultrices imperdiet, nunc tortor finibus est.
